BKD TECHNOLOGIES NAMED TO 2008 MICROSOFT DYNAMICS INNER CIRCLE

Microsoft Honors BKD Technologies for Outstanding Customer Commitment and Sales Achievement

SPRINGFIELD, MO. – Michael W. Burlew, BKD regional managing partner, announces BKD Technologies, a division of **BKD, LLP**, has been named to the Microsoft Dynamics™ Inner Circle. This elite designation is earned by firms whose sales rank them in the top 1 percent of the Microsoft Dynamics global network of value-added reselling partners. This recognition came during the Microsoft Worldwide Partner Conference 2008 in Houston, Texas.

This signifies BKD Technologies is among the most experienced resellers, implementers and supporters of Microsoft Dynamics AX software, a manufacturing industry standard; Microsoft Dynamics GP software, a financial management product that helps streamline business processes; and Microsoft Dynamics CRM, a customer relationship management solution.

“The Inner Circle achievement recognizes BKD Technologies standing as a top partner for Microsoft Dynamics,” said Doug Kennedy, vice president of Microsoft Dynamics Partners. “This award is a direct result of the positive relationships that BKD Technologies has developed with our customers, as well as its commitment to delivering top-quality solutions.”

BKD, LLP with offices in Arkansas, Colorado, Illinois, Indiana, Kansas, Kentucky,
Mississippi, Missouri, Nebraska, Ohio, Oklahoma & Texas
901 E. St. Louis Street, Suite 1800 · P.O. Box 1190 · Springfield, MO 65801-1190 · 417.831.7283 · Fax 417.863.9915

BKD Technologies works closely with the teams at Microsoft to maintain a comprehensive understanding of the Microsoft Dynamics platform. This knowledge, combined with a deep understanding of customers' business needs, enables BKD to help customers leverage the full value of their Microsoft investments and achieve the enhanced customer service, productivity and operational efficiency that promote growth and competitive advantage.

BKD Technologies uses business application to provide implementation, training and consultation for mid-market and corporate businesses.

"Microsoft publishes solid software solutions for our clients," said Burlew. "A great component of our success is our personnel's commitment to unmatched client service that guides our professionals in delivering these software solutions."
