**R**ebekah, a member of BKD Health Care Group, has more than 15 years of coding, revenue cycle management and operations experience. She provides medical reimbursement consulting and operational reviews for physician clinics, federally qualified health centers, rural health clinics and behavioral health centers.

She is a certified professional coder (CPC) through the American Academy of Professional Coders, a certified medical practice executive (CMPE) through the American College of Medical Practice Executives, a certified professional medical compliance specialist (MCS-P) and certified in occupational health practice management through the National Association of Occupational Health Professionals.

An avid speaker, Rebekah has frequently given lectures about operational improvements, revenue enhancements and billing topics at events hosted by state primary care associations, state chapters of Health Financial Management Association, American Health Information Management Association and National Association of Community Health Centers.

## The BKD Experience: Unmatched Client Service

BKD is dedicated to delivering the **BKD Experience** of unmatched client service. You are our reason for being here.

A recent comparison by an independent research firm found that BKD clients are significantly more satisfied with our client service than clients of other top U.S. firms.

In fact, our results are higher than those of any other CPA firm the researcher has surveyed in the past 25 years.
