

## OUR PRIVATE EQUITY EXPERIENCE

Our private equity team's in-depth expertise and experience comes from assisting with hundreds of transactions and working with the companies post-close on a wide range of audit, tax and consulting services. We support clients at each stage of their investment timeline and our broad range of private equity services can help you avoid the confusion and cost of managing multiple sets of advisors. Below is a representative listing of private equity firms and private equity-owned companies that BKD works with.
