

RURAL HEALTH CLINICS

experience **insight** // How will you succeed in the long term? Rural health clinics require specialized services and expertise to thrive over time. BKD National Health Care Group has approximately 500 CPAs, advisors and dedicated staff committed to the needs of organizations like yours. We have the experience you need to help enhance the performance of your health care organization and boost your bottom line.

BKD RURAL HEALTH CLINIC SOLUTIONS

Physicians, nonphysician practitioners, nursing staff and coding professionals face complicated Medicare and Medicaid coding and billing requirements for rural health clinics. The 2010 OIG Work Plan has outlined the following areas of focus:

- Billing evaluation and management services during a global surgery period
- Laboratory unbundling services
- "Incident-to" services
- Place-of-service errors

THE BKD ADVANTAGE

BKD National Health Care Group can provide insight so you can meet your compliance, training and reimbursement demands with the following solutions:

SNAPSHOT CODING ANALYSIS // As one of the largest health care consulting groups in the nation (according to **Modern Healthcare** magazine), our team of professionals can:

- Deliver a one-day rural health clinic "snapshot" coding and documentation analysis of 15-20 accounts

- Assess your documentation, coding and billing processes
- Present the findings to the clinic during an exit conference with the management team and provider staff
- Provide valuable insight into risk areas, revenue opportunities and education needs

COMPLIANCE // Identify compliance and revenue improvement opportunities through:

- Provider trending analysis
- Coding and documentation baseline audits
- Recovery audit contractor (RAC) risk assessments
- Charge capture assessments
- Superbill revisions

PHYSICIAN & STAFF DEVELOPMENT //

Physician and staff development are key to improving your bottom line. We can educate about documentation and coding and provide documentation tools.

FINANCIAL PERFORMANCE

MANAGEMENT // Physicians and administrators face complicated internal and external pressures that can affect the financial health of their practice. We can:

- Perform a fee schedule analysis
- Review accounts receivable
- Educate your staff on managing claim denials
