1:6 PARTNER TO STAFF

With a partner-to-staff ratio much lower than the average for national firms, you'll have access to partners and personal communication. We call it **The BKD Experience: Unmatched Client Service.**

“

BKD's personnel from staff to partner that I've worked with are very professional and consider the operations and timelines of the agency personnel in their planning. They are willing to discuss issues and accounting treatments in an open method while ensuring that the standards are met. The comments and recommendations are helpful and have assisted the city in making improvements.
